

INTIMIDATOR™ 18XP TRACK

18" Capacity Hand-Fed Chipper

The Intimidator™ 18XP is Bandit's **most popular hand-fed drum-style chipper**. With a 20-1/2" high by 20-7/8" throat opening, 37-inch diameter drum, aggressive engine options, and Bandit's slide box feed system it **absolutely dominates** everything else in the 18-inch chipper category. By adding a track undercarriage it makes this unit a great solution for lot clearing and other site clearing jobs.

PROOF OF CONQUEST

The Intimidator 18XP will overcome and conquer the challenges presented by the wildest of trees and branches. A large throat opening and Bandit's proven slide box feed system aid in gathering and crushing both limby and fibrous material. The large, heavily-reinforced 37" diameter drum then smoothly and effectively powers through the material with authority because of increased torque, yet requiring less horsepower. This system reduces trimming time, labor costs, operator fatigue, and fuel costs while increasing production -- a concept proven time and time again by any Bandit chipper.

RADIO REMOTE CONTROL

Standard with a user-friendly radio remote control allowing the operator to control all track functions in addition to chipper feed forward / reverse, hydraulic lift cylinder up / down, discharge swivel / deflector and engine e-stop.

MAXIMUM UPTIME

Rugged construction and heavy-duty components throughout the Intimidator 18XP help ensure long life and trouble-free performance. We realize what it costs when a chipper is down, and we do our best to minimize it. That's why maintenance items are positioned for easy access and designed to be more serviceable in the field. Bandit chippers have proven over time to be the best decision you can make for a long-term investment in a brush chipper.

DIMENSIONS

Capacity:	18"	45.7 cm
Opening:	20.5" high x 20.83" wide	52 cm high x 52.9 cm wide
Drum:	37" dia. x 22" wide	94 cm dia. x 55.9 cm wide
RPM:	Approximately 1,080 RPM	

Discharge: Height-adjustable, 270° hydraulic swivel with 12" (30.5 cm) adjustable chip deflector

Feed System: Slide box feed system with (2) 21" (53 cm) adjustable down pressure springs, (2) 10-5/8" diameter x 20" wide feed wheels (27 cm x 50.8 cm) powered by (2) 32.3 CID hydraulic motors

Frame: Mainframe is constructed of 3/16" x 2" x 6" rectangular tubing (0.48 x 5.1 x 15.24 cm)

Optional 25" wide feed wheels

COMMITTED TO QUALITY & PRODUCTIVITY

Since 1983, Bandit has manufactured equipment for a multitude of wood waste processing markets. The vision since the beginning, is to build quality, highly productive, easy to maintain equipment providing years of dependable service.

The commitment for quality, innovation and dedication is instilled in every employee and is one of the main reasons why Bandit became an Employee-Owned Company (ESOP) in 2018. These core values ensure each Bandit machine will leave the factory ready to exceed your expectations.

INTIMIDATOR™ 18XP TRACK FEATURES

- **Rope/Line Shear Device (standard)**
Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**
Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**
Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**
Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**
Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**
Prevents engine from being started without the hood pin in place
- **Optional Hydraulic Winch**
- **Standard Radio Remote Control**
